

Refund, Returns & Shipping Policies

Version 3.2 - Last Updated: January 2026 - Customer-Facing & Internal

1. Refund Policy

We want every Brewed Roots purchase to be a great experience. If something isn't right, here is how refunds work:

- **Refunds under \$100** are automatically approved and processed by the Support team in the Billing system. Customers receive confirmation within 1 business day.
- **Refunds of \$100 or more** require approval from a Support Lead. The case is escalated via the Zendesk escalation queue with a maximum SLA of **1 business day**. The customer is notified that the review is in progress.
- Refunds are issued to the original payment method. Processing time is 3-5 business days depending on the issuing bank.
- Refunds are not available for digital products (gift cards, downloadable guides) after redemption.

2. Returns Policy

All Brewed Roots products are eligible for return within **30 days of the delivery date**, subject to the conditions below.

- Items must be unused and in original packaging where applicable.
- Opened coffee bags are eligible for return only if the product was defective or incorrect.
- To initiate a return, customers must contact support with their order number and reason for return.
- Once a return is approved, customers will receive instructions for sending items back.

3. Subscription Cancellation Policy

- Customers may pause, modify, or cancel their subscription at any time via their account dashboard or by contacting support.
- Cancellations are effective at the **end of the current billing cycle**. No partial refunds are issued for the remaining period.
- Customers who cancel will continue to receive any orders already dispatched before the cancellation was processed.
- All cancellation requests are logged in the CRM.

4. Shipping Policy

Brewed Roots ships to all major markets. Shipping SLAs below are estimates and are not guaranteed delivery dates.
