

Knowledge Base & FAQ

Version 1.8 - Last Updated: January 2026 - Support Team Reference

This document is the primary reference for product and service questions. Use it to answer customer inquiries accurately and consistently.

Orders & Tracking

Q: How do I track my order?

Once your order is dispatched, you will receive a shipping confirmation email with a tracking number and a link to the carrier's tracking page. Allow up to 24 hours for tracking to activate after dispatch.

Q: My tracking has not updated in several days -- what should I do?

Tracking can occasionally stall during transit or customs clearance. If there has been no update for more than 5 business days on a Standard shipment or 3 business days on an Express shipment, contact our support team and we will investigate with the carrier.

Q: Can I change my delivery address after placing an order?

Address changes are possible only before the order has been dispatched. Contact support immediately with your order number and the new address. Once an order is in transit, we cannot redirect it.

Our Coffee

Q: Where are your beans sourced?

All Brewed Roots beans are single-origin, sourced directly from small farms and cooperatives across Ethiopia, Colombia, Guatemala, and Sumatra. Each product page includes the specific farm, region, altitude, and processing method for full transparency.

Q: Do you offer decaf options?

Yes. We carry a Swiss Water Process decaf sourced from Colombia, available in whole bean and ground. It is naturally decaffeinated with no chemical solvents -- great for evening brews without compromising on flavour.

Q: What grind options are available?

We offer: Whole Bean, Coarse (French press, cold brew), Medium (drip, pour-over), and Fine (espresso, AeroPress). Select your grind at checkout. For the freshest cup, we recommend ordering whole bean and grinding at home.

Q: How should I store my coffee?

Store in an airtight container at room temperature, away from direct sunlight, heat, and moisture. Avoid refrigerating or freezing unless you have bought in bulk -- moisture from the fridge can affect flavour. For best results, consume within 3-4 weeks of the roast date.

Subscriptions

Q: How does the subscription work?

Choose your preferred coffee, bag size, grind, and frequency (every 2, 4, or 6 weeks). Your order ships automatically on schedule and your card is charged at the time of each dispatch. You can modify, pause, or cancel anytime from your account dashboard.

Q: Can I skip a delivery?

Yes. Log in to your account, navigate to Subscriptions, and select 'Skip Next Delivery' at least 2 business days before your next scheduled dispatch date. You will not be charged for skipped deliveries.

Brewing Tips

Q: What coffee-to-water ratio do you recommend?

A good starting point is 1:15 (coffee to water by weight) -- for example, 20 g of coffee to 300 ml of water. Adjust to taste: more coffee for a stronger brew, less for something lighter. Our Brew Guides on the website cover pour-over, French press, AeroPress, espresso, and cold brew step by step.

Returns, Damage & Other Topics

Q: My order arrived damaged -- what should I do?

We are sorry to hear that. Please contact support within 7 days of delivery with your order number and a photo of the damaged item and packaging. We will arrange a replacement or refund at no additional cost to you.

Q: Do you offer wholesale or bulk purchasing?

Yes. We work with cafes, offices, and retailers. For wholesale enquiries, email hello@brewedrootsco.com with the subject line 'Wholesale Enquiry' and include your business name and estimated monthly volume. Our team will respond within 3 business days.

Q: What payment methods do you accept?

We accept all major credit and debit cards (Visa, Mastercard, Amex), PayPal, and Apple Pay / Google Pay where supported. All transactions are processed securely over SSL.

Can't find the answer here? Email hello@brewedrootsco.com or follow up with the customer within 2 business days.
